This week is Support Staff Week. It is a chance for the children and teachers to show our appreciation for the wonderful work that our support staff do. We are very lucky to have such highly skilled and capable teacher aides and office personnel. Thank you Marylyn Hayes, Patricia Poole, Tina McWilliam, Raewyn Stronach, and Judy Buckingham for all that you do for our tamariki and to support the smooth running of our school.

It is great to be at Alert Level One knowing that we are safe in our community to continue with business as usual but keeping up good hygiene and staying home if we are sick. The children are excited about netball and rugby coming up. On Friday we are fundraising for Red Hearts Day. This involves the children dressing in something red for the day and bringing along a gold coin donation to support children with heart conditions.

We are also having our first onsite Assembly that families can come along to since Lockdown. To make this an opportunity to socialise together and to welcome families back into the school, I have arranged for Mad Cow Coffee to be onsite from 1:45pm so that you can get yourself a fantastic coffee and have a catch up prior to the Assembly. Bring your cash or card and get a coffee. If we make it worthwhile for Karena, we will be able to get her back each term.

Our Year 7 & 8 students will be starting Technology at Menzies in week two of Term Three. It will be on Tuesdays this year.

**Anyone coming into the school grounds during the school day needs to sign in to our visitors' book please. Always enter the school via the Office so that we know who is on site.**

Ka pai to wiki/have a good week,  
Kate Stevenson  
Principal

**Team Kikorangi:** This week we welcome Joesuf and Neko to Team Kikorangi. We hope they enjoy their time at our school. We have completed our circle art with Mrs Short for the school mural. It has been very cold this week for Cross Country training, so hopefully the weather might come right soon for us to do some more training.

**Team Kowhai:** We have been writing some procedures and are planning on putting Mrs. Stevenson to the test later this week to see how well we did. Photos to follow.

**Team Karaka:** We have had another busy week in Team Karaka, for Friday's Assembly we will be sharing our Pop Art.

**Team Papura:** are preparing for the Tokanui School Cross Country and Colour Run. This is the first time we have organised something like this and it is fun but challenging.

Welcome to Mrs Buckingham, who is working with us during Literacy.

### Waikawa Museum

Hi All

We are planning working bees at the Museum each Thursday for June and July starting on 18th June 10.00am-3.00pm and every Thursday after that until all is done. We plan on looking at opening museum at weekend's end of July and will stay like that until October when we will open seven days a week.

If anybody has a little spare time that could come and help that would be great. We have to finish Blacksmiths and build two cabinets to house Ruth's bottle collection she left to the museum. We also have some entering of items as well as a good clean so any help will be much appreciated. All the bottles will need a polish and a label put on them until we can get them labelled properly.

Hope to see you at working bees

South Catlins Promotions (Inc)

A meeting of the above will be held in the Tokanui Tavern on Tuesday 16th June, 2020, at 7.30 pm.

With tourism being extremely impacted by Covid-19, now is the best time to determine the future of SCP. We are a promotions group and now, more than ever, we need drive and enthusiasm from you to promote The Catlins and your businesses. If this is not forthcoming, the SCP does not have a future. Please attend the meeting on 16th June to determine interest. SCP can then take this attendance and outcomes to make decisions at our impending AGM. Dianne Miller, Chairperson, ph 03 415 8669. Janette Buckingham, Secretary, ph 2468 499.
