

Kia ora everyone

Our Year 7 & 8 students have a very active day on Monday at Stadium Southland. Due to COVID, the Young Leaders Day that we normally attend in Dunedin was cancelled so the Southern Zone held our own at the Stadium. We were very lucky to have Shakira Mirfin, World Junior Rowing Champion, share some pointers on striving to be your best in a sport. Shakira has also represented New Zealand at BMX! After this the students were split into four groups and spent time at Squash, Basketball, Clip N Climb and Riding on the Velodrome. All events had a coach or instructor that guided them. It was a fun day out, a chance to make new friends and to try new activities.

We are hoping for better weather on Thursday when we have our school Cross Country and Colour Run. Make sure you send your children with a change of old clothes for the colour run. You are all welcome to come along and enjoy the fun. Mad Cow Coffee will be here to help keep you warm while you watch the event. Please let Marylyn at the Office know if you are taking your children home and sign in through the Office. Thank you to our senior class for organising this event.

Our Year 7 & 8 students have Technology starting in week two next term at Menzies College. It sounds like a fun programme with Science, Team Building Games, Foods and working with glass.

Please note that we have a Teacher's Only Day on 10th August. This will be an opportunity for the teachers to do some Professional Development together.

Enjoy the holidays. Stay safe and we will see you all again next term.

Regards
Kate Stevenson
Principal
