RESPECT INTEGRITY COMMUNITY EXCELLENCE

Term 1 No 3 19th February 2020

Kia ora everyone

Our campers had a wonderful week away in Cromwell where the sun shone strongly all week! They battled 30 plus temperatures while biking 50km of the Rail Trail and temperatures in the high 20's while walking the gold mining ruins. This was well balanced with swimming in Lake Dunstan, Molyneux Swimming Pool and riding on the biscuit behind Daryl and Ferg's boats. They would have arrived home to their parents, very tired campers. It is a fantastic way to build the class team and for Mrs Poole to really get to know her students at the start of the year. They are a wonderful group and do a great job of looking out for each other.

On Tuesday I attended a hui with the Ministry for Kahui Ako (Community of learning) leads to share knowledge around how we can achieve more for our tamariki as a Community of Learning. The focus was on our Local Curriculum. The Lower Maitara Valley Kahui Ako, that we joined at the start of 2019, has been very beneficial for our staff development and providing opportunities for our children. It is through this that we received support from the Hokonui Rununga in the form of the native tress to plant at the end of last year. Mrs McMullen is a Lead Teacher in the Kahui Ako which means that she leads other teachers in an Inquiry around Playbased Learning. I am currently a Lead Principal for the Kahui Ako and through this role I support the Kahui Ako leader. All of our teachers are part of a learning inquiry to support their own professional development. We find that it is valuable to be regularly networking with others in the Kahui Ako. Our Kahui Ako has two Learning Support Coordinators that have started this year. This is a new role that the Ministry has put in place to help support our students that have needs that may require additional support from outside agencies. Our Learning Support Coordinators are based out of Wyndham Primary School and are getting settled into this new position this term.

E.R.I.C arrived this week! Each class now has a dolphin mascot that they can use to reward students that show the school values of:

Excellence, Respect, Integrity and Community!

Class Reports:

Team Kikorangi: This week we have finished weeding our garden to get ready for our new plants. We have started an inquiry around the 'Olden days'. The children have come up with a list of questions that they would like to find out answers to.

Team Kowhai: We are building whanaungatanga in Team Kowhai by working on “Make n Break’ activities and problem solving together. We have also just about finished publishing our first piece of writing which is on display in our cloak bay.

Team Karaka: Another busy week in Team Karaka, we have been finishing off our kites and researching their importance in other cultures. We have also started weeding our garden, which we hope to be planning some seeds in next Friday in enviro time.

Team Papura: had a fabulous time at camp. Thank you to the parents who joined us and helped make it fun. We are getting into kite making for the art exhibition. Many of us have gone with traditional kites made with natural materials. Reminder swimming is Wednesday and Thursday and Library is Monday.

If you have a completed “Summer Reading Programme” form please hand it into the Library by Monday 24th February.

*Compost wanted for the school tunnel house.
If you can help please contact the School.*

We would really like to encourage more people to consider becoming involved at the Waikawa Museum. We run a daily roster system and would welcome your interest. It is a very rewarding volunteering and meeting some lovely people from all around New Zealand as well as from many other places worldwide.

The Museum is open daily from 10.00am. Please feel welcome to drop in anytime or phone the Museum (03) 2468 464

Tokanui Rugby Club We will be holding our Annual Prime Lamb Competition on Friday 21st February in conjunction with the "Barkup" Fundraiser for Australian Fires at the Tokanui Rugby Club. Collectors will be in touch and will collect lambs on Wednesday or Thursday that week.

Prize giving will be at 7.00pm on Friday 21st February at the Tokanui Rugby Club.

We will also be auctioning a prime and fertile Poll Dorset 2 Tooth ram who is ready to go into service.

We really appreciate the contribution the community makes towards our annual fundraiser and value your individual contributions.
