

Term 1, No 1, 2021
3rd Feb 2021

From the Principal

Tena koutou katoa,

Greetings all! I hope that you have all had a wonderful break from routines and some fun family times over the school holidays. It is great to be back and especially to see the childrens' happy faces here again.

This year we welcome Mrs Julianne Andrews to our staff. Mrs Andrews is teaching our junior class and can be found in Team Kikorangi. The first day of term was very exciting as Mrs Andrews brought along Georgie, her beautiful green parrot.

We have a number of opportunities for whanau to come along to school and be involved in the childrens' learning this term. John Parsons will be working with the children on the 17th February teaching them how to be Cyber Safe. He has a wealth of knowledge and any parents that have attended in the past have found it very helpful teaching them how to support their children safely online. John will once again be holding a parent session at school from 2-3pm. I highly recommend that all parents attend. Goal Setting Conferences will be held on the 24th and 25th of February. The opportunity to book for these will come out in the newsletter nearer the time. Our Year 7 & 8 camp will be held during Week Five in Dunedin. Southern Zone Athletics will be held on 12th March at Ascot School for 9 year olds and above. We planned to have it at Surrey Park but the date we had booked was too close to Southland Athletics and the High Schools get priority over us. A junior athletics will be held at school one afternoon later in the term. We plan to finish the term with, "Creative Connections" on the last Thursday of term. This will involve an art session where parents can come along and join in.

We have four teacher only days booked in this year. They will be on 1st April, 11th May, 5th August and the 19th November. Note that the 1st April is the day before Easter giving families the opportunity to have a longer Easter Break. Two of the other Teacher Only Days are midweek to fit in with presenters that we have booked and they are run by our Kahui Ako.

The Kahui Ako ran an excellent night for parents/caregivers in January with outstanding presenters. This was a follow on from the Teacher Only Day and the same presenters made themselves available for the parents as part of our 'Growing Great Kids' theme. Unfortunately, the holiday period wasn't successful at getting good attendance.

Note that due to Waitangi Day falling in the weekend, we have a holiday on Monday. Enjoy the long weekend.

Team Kikorangi

Team Blurbs:

Team Kikorangi: We have had a fun first week here in Team Kikorangi! On Tuesday we read the story of Nana Mihi and the rainbow and this inspired the tamariki to go on their own scavenger hunt around the school grounds to see whether we could create our own rainbow. Here are the results. Tino pai, tamariki mā, as Nana Mihi would say.

Team Kowhai: Team Kōwhai welcomes everyone back for the new year. A special welcome to Kyla, who has joined our class this year. We are swimming on Wednesdays. This is also our library day.

Team Whero: Welcome back families. Team Whero have started the year with a great attitude and a good bond. The children are happy to see each other again and enjoying odd challenges and being a team. We look forward to an awesome year ahead.

Team Karaka: Welcome back to 2021. We have been busy getting our devices organised and working on our class treaty. We have begun designing our bottle top art with Team Whero.

Year Seven Vision Screening: The Vision Hearing Technicians from Population Health, Southern District Health will be visiting Tokanui School to screen ALL Year Seven students for distance vision. This determines how well your child is able to see at a distance. It involves reading an eye chart. (Not required if your child wears glasses/ or is currently under care for their vision) If you DO NOT want your child to be screened fill out an opt-out slip, which are available from the Office before our visit.
