

## Term 2, No 5, 2nd June 2021

### He panui na to maatau Tumuaki: A note from our Principal:

Tena Koutou Katoa

The Year 6,7 and 8 students arrived back from camp with no major injuries and in good spirits on Monday after a fantastic five days away at Deep Cove. We had rain from West Arm and over the mountain with it very heavy through the first night and after that there was just light rain meaning that we got to complete the activities that we had planned. Fishing was a highlight with all of the children catching spotties. Harri, the Nature Guide from Real Journeys was a hit and had all of the children interacting with him while he shared his endless knowledge about Tutu, Glow Worms, the salt water layer and many other interesting facts. The children managed to keep very quiet on the night walk and we saw the glow worms in the bank. The challenge of Hanging Valley was taken on by all and completed with no drama. Even Ella with her crutches tried everything possible - just not any of the big walks. What an outstanding group of children who worked together, supported each other and had a positive attitude that helped them to all have success. Thank you to the great team of adults who worked hard throughout the camp to support the children and particularly Glenda Watson who looked after any First Aid issues and Stacey Robinson who fed us so well.

While we were away the Junior classes took part in You, Me and the Sea with the Dunedin artist, Janet de Wagt. What a very special opportunity this was for them.

Cross Country is coming up on the 11th of June and the children have been training for some time now so are well prepared for this event.

Don't forget the long weekend coming up. School will resume on Tuesday with Winter Hours meaning that school and buses will run 15 minutes later.

*The Tokanui School is a fantastic asset in this community that we look forward to continuing to make sure it's a great place for our children to grow and be well educated in.*

*We will now be working through the process of appointing a new principle and will keep you informed.*

*Kate starts a new role at another school in Term Three and we wish her all the best with the new challenges this will bring her going forward.*

***We understand that sometimes things change and that it is at times impossible to get home in time for your child/ren or to find alternative arrangements on the same bus so if this happens, please ring Marylyn at the Office to see if there is room on another bus so your child/ren have adequate childcare. This is for child care only, not for playdates, birthday parties, to get to sports practises etc. We endeavour to get children to the correct place but the more changes that are made to buses/after school care the more difficult this becomes. Thank you for understanding.***
