

Term 2, No 6, 9th June 2021

He panui na to maatau Tumuaiki: A note from our Principal:

I think that those who went to Deep Cove are finally recovering. The downside of a full on camp is the sickness that seems to follow. Hopefully the long weekend will have given everyone a chance to recharge for the rest of the term. The seniors are working on some presentations around Deep Cove and plan to share these with whanau in a couple of weeks.

Our senior students have a variety of interesting topics that they are researching for their Social Science Fair projects. They are learning to research and present their work clearly on the display boards.

We were sorry to see Jaxson and Harrison McCleery and Nate Peterson leave our district and school at the end of June. Nate is off to Drummond School and Jaxson and Harrison are attending Riversdale Primary. Over the last week we have had four new students enrol. Welcome to Alya Moss in Team Kikorangi, Rosie and Indigo Smith who are also in Team Kikorangi and Gloria Smith who is in Team Whero. We wish you all happy school days at Tokanui.

Zone Cross Country is taking place on Friday at the Woodlands Agresearch Centre from 10:30am. Our students have been running daily, weather permitting and should be well prepared for this event. Cancellations will be on the radio and will come through the school app. If the weather is extreme the 5,6,7,8, & 9 year olds will be cancelled and have school and the older students will still run as normal. Have a change of warm clothes for after the race. We expect a decision to be made on Thursday afternoon. At this stage the forecast is looking good.

See you at the Cross Country.

“The best way to not feel hopeless is to get up and do something. Don’t wait for good things to happen to you. If you go out and make some good things happen, you will fill the world with hope, you will fill yourself with hope.”

— Barack Obama

Reminder: If you are passing a stationery school bus the speed limit is 20 kmh

After school care and buses

We understand that sometimes things change and that it is at times impossible to get home in time for your child/ren or to find alternative arrangements on the same bus so if this happens, please ring Marylyn at the Office to see if there is room on another bus so your child/ren have adequate childcare. This is for child care only, not for playdates, birthday parties, to get to sports practises etc. We endeavour to get children to the correct place but the more changes that are made to buses/after school care the more difficult this becomes. Thank you for understanding.

Team Blurbs:

Team Kikorangi: Team Kikorangi are lucky to have welcomed three new students in the past week. Rosie, Indigo and Ayla. We are very happy that you are part of our class and hope you all feel at home very quickly

Team Kowhai: Team Kōwhai have finished their information reports about insects and are beginning to look at persuasive writing. Matariki is coming up. We have started to learn about the importance of Matariki and what the stars represent.

Team Whero: Are busy working away on our science boards. Today we wrote some descriptive writing about llamas and alpacas after watching a short clip about the differences between the two. We think the one we often spot on the way to town is an alpaca.

Team Karaka: We are busy completing our Social Science fair boards this week.

Moffett Cup

Moffett Cup practices begin soon. If you can help coach a Moffett Cup team please contact Sue Poole at the Office. We are looking at a Rippa team in the Year 3 - 4 level and Netball and Rugby teams in the Senior school.
