He panui na to maatau Tumuaki: A note from our Principal:

Kia ora everyone, as you are all aware we are now in Level 4 Lockdown for the next three days. Our children can access learning to complete online via Seesaw for Team Kikorangi and Kōwhai. Team Whero and Team Karaka will be accessed through their school Google accounts. There is no pressure to do any of the learning, just do what you can. If you have any questions or need any help to access learning please ask your child's teacher via Seesaw. We will keep you updated on any new developments. Be safe and look after each other.

Medical Centre continued.

We have had a lot of questions recently about the Primary Response In Medical injuries (PRIME) service offered in the region. The key objectives of PRIME is to provide a rapid response to critically ill or injured patients, and to provide higher level medical skills, if required working up to the level of intensive care paramedic within the legal medical scope of practice. Specially trained doctors and Nurses are employed for this role. The Clinical Nurse Specialist employed as the PRIME RESPONDER based from Tokanui Medical centre covers approximately 90 km of some of the remotest areas in new Zealand and is on call 24 hours a day from Monday to Friday. The PRIME service is currently NOT covered/funded for the weekend in this specific area. As ever ALWAYS phone 111 in an emergency 7 days a week.
