**Team Kikorangi:** Well what a week! We find ourselves learning remotely once again and for some of you this will be a new thing and for others a repeat of last year. I am so proud of you all for taking to this new way of learning so well and working very hard on the tasks you have been given. Ka pai koutou, and we shall see each other again very soon.

**Team Kowhai:** Wow, what an interesting week. Thank you to all the parents and families who are doing their absolute best with online learning. I appreciate you sharing things with me over Seesaw and I've enjoyed reading the stories I have received.

**Team Whero:** Team Whero had a catch up via Zoom today. It was cool just to see each other again. On Seesaw we've been doing some division wheels and sharing our alphabetical food lists and menus. It is a different way of learning so keep up the good work.

**Team Karaka:** It's been a very interesting week with Mrs E and Team Karaka learning from each other. Mrs E is learning how to use technology for remote learning and Team Karaka are helping her. It's good to see a lot of Karaka sharing their work on Seesaw. Thank you families for doing their absolute best with remote learning.
