Clutha Health phone number 03 419 0500

PLEASE don't hesitate in phoning 111 in lieu of any emergency whether you are in ANY doubt of severity or not. The Clinical nurse specialist/PRIME responder ((Primary Response In Medical Emergency) will be paged immediately alongside St JOHN. Please phone the medical centre 2468850 to make an appointment. This is a free service! The Medical Centre also has an assortment of equipment available! If you are having surgery or family stay and need a shower chair or high toilet seat then please get in touch.

Level 4 lockdown-as per Ministry of Health Rules

Tokanui Medical Centre will remain open while we are at Alert Level 4 Monday to Friday 9am-1630

You can still get medical help if you need it. However, if you need to see the Clinical Nurse Specialist you MUST phone first. 03 2468850

Most consultations will happen over the phone to stop any risk of COVID-19 spreading by person-to-person contact

Please Ring ahead if you require a COVID swab. Otherwise we recommend you ring 0800 VIRUS 19 (0800 847 8719) who can organize one for you.

Please remember the medical Centre is staffed by one health professional covering a large area so may not always be around to take your call as we also respond to any 111 calls in the area - We would be grateful if any questions related to COVID could be directed to 0800 358 5453- the COVID helpline

As ever phone 111 in an emergency 24/7
